

AIRKEY

Service Overview

Crucial to hosting success

Unlocking your future in rentals

We're there for you even before your first booking. To see what effortless Airbnb looks like, take a look at our full range of services.

Recommended by the best

For professional management services, the best and biggest names in short-term letting partner with Airkey.

Booking.com

What can Airkey do for you?

Listing Creation & Promotion

Your listing created using professional photography, and promoted across up to 6 most popular booking sites: Airbnb, HomeAway, holiday lettings, booking.com, trip advisor and VRBO.

Professional photography

Professional Airbnb photography for your listing is the key element to make your property stand out from the thousands of listings. Therefore, we ensure a professional photographer captures your home's unique features to stand out from the crowd.

24/7 Personal Account Manager

We take care of your account around the clock, seven days a week, acting as one point of contact for all your guests' enquiries.

Portable Key Lockers Installed

We install secure and discreet key lockers for your guest's convenience.

There's so much more...

Price Optimisation

Our team of specialists will ensure your listing is set up in a professional and comprehensive manner, setting the price by taking into account seasonality, neighbourhood, competing listings, finish of your home, as well as the amenities in it.

In Person Check-in

We liaise directly with guests to arrange the most suitable check-ins and check-outs for them. Upon their arrival we give the guests a warm welcome, show around the property and give tips regarding the local area.

Housekeeping

Housekeeping taken care of to an exceptional hotel standard. Our professional cleaners will keep everything perfectly presented at SuperHost standard to ensure guests are welcomed to a clean home.

Guest Vetting

Know exactly who's staying at your rental with our strict online and offline guest screening.
